ASHRAE

Saskatoon Chapter History

Initially Prepared and Presented

January 12, 1988

Historians: Wendell Dent - Committee Chairman
Jack Scott - Committee Member
The Saskatoon Chapter of ASHRAE, #102, started when a number of the members belonging to the Saskatchewan Chapter living and working in Saskatoon decided to start their own chapter.

These members under the guidance of Bill Herr, Past President of the Saskatchewan Chapter and recently transferred to Saskatoon, had an excellent understanding of ASHRAE. Bill Herr, Larry Winder and Vas Carroll were the driving forces in establishing the Saskatoon Chapter. They were assisted by John Daniels, Jim McCartan, Joe Morgan, Lloyd Wilson, Ken Botting, John Peters and Leo Yaskowich.

Thirty-two members or potential members of Saskatoon petitioned ASHRAE headquarters to begin a Saskatoon Chapter. Saskatoon elected an interim board to temporarily run the affairs of the proposed new chapter:

Bill Herr  President
Glen Pearson  Secretary
Larry Winder  Treasurer/Membership

ASHRAE headquarters gave Saskatoon the go ahead to start a chapter, and the group arranged the charter night for March 25, 1966. It was to be complete with a banquet and all the festivities associated with the charter of a new chapter.

On March 25, 1966 the Saskatoon Chapter was chartered and Glen Pearson, the new president of Saskatoon ASHRAE Chapter, accepted the charter. Many of the other ASHRAE chapters (70 in number) sent their congratulations and best wishes for success.
Chapter operations started on March 25, 1966 and the 102nd chapter of ASHRAE began with a new board of governors for a new chapter.

Glen Pearson
John Peters

Director
Director

J. W. May, ASHRAE President, presented the Charter and B. Horsburgh, Regional Director, then presented the gavel to Glen Pearson on March 25, 1966.

H. Murray presented the banner from the Montreal Chapter to the Saskatoon Chapter.

B. Horsburgh presented the Ross Trophy to the Regina Chapter.

Saskatoon ASHRAE Chapter became the newest chapter on March 25, 1966 when Bill Hole of Edmonton installed the new chapter officers.

The head table was comprised of the following dignitaries: James May, International President, Mayor E. Cole, R. and Mrs. Generoux, Hay Murray, Dr. Booth, B. Horsburgh, Bill and Merle Herr, Reg and Pat Briggs, Glen and Pat Pearson.

The John Ross playdown was held in Saskatoon on March 25, 1966 and the winning team was from the Regina Chapter. The curling trophy was a presentation from John Ross to the three prairie provinces for annual curl-
ing competition between the five ASHRAE chapters: Winnipeg, Regina, Saskatoon, Calgary and Edmonton.

Reg Briggs, of Regina, presented Saskatoon Chapter with an engraved lecturn, made by Ted McRoberts then of Regina Chapter. This lecturn is still used in our monthly chapter meetings.

Glen Pearson, Chapter President was transferred to Regina in August of 1966, and John Peters, Vice President assumed the president's chair.

Monthly meetings were held at the Saskatoon Club. The annual dues for Saskatoon were $25.00 and this included meals.

A motion was passed by ASHRAE Saskatoon to cover expenses for delegate and alternate to the C.R.C. in the amount of $100.00 each. C.R.C. Delegate - John Peters, Alternate - Lloyd Wilson.

October 18, 1966 was the first meeting of the new year for the Saskatoon Chapter. It was established that meetings would be held the third Tuesday of each month. P. Kurth, Regional Manager for Anemostat Corporation, spoke on High Velocity Air Distribution.

Saskatoon formed a manpower committee with Boris Kishchuk, Bill Herr, and Ray Graves as members.

Golf Day - June 20, 1967. Cost $5.50 including din-
Chapter membership was 32.
ASHRAE Saskatoon 1967 - 1968

President John Peters
Vice President Lloyd Wilson
Secretary Boris Kishchuk
Treasurer Herb Skaret
Director Greg Eyolfson
Director Leo Yaskowich

John Peters, acting President since August 1966 became the new President for this term and was the only Saskatoon Chapter President to serve 18 months.

September 27, 1967. Speaker, Professor George Green, talked on a new course in Air Conditioning now being studied at the University of Saskatchewan. There were 23 members and guests present.

October 17, 1967. This was a panel discussion on Base bid vs. Open bid, responsibility of the system, when does warranty start and stop, balancing systems. Panel members were: Ray Graves, John Daniels, Fred Welling, Mel Jones. A complete conclusion was not reached.

November 21, 1967 meeting. Speaker - P.C. Butler, Region II Director ASHRAE. The subject was ASHRAE activities.

C.R.C. Edmonton May 8 to 10, 1968. Delegate - Lloyd Wilson, Alternate - John Peters. Bill Herr was nominated as a member of the technical committee for Region II.

George Green, member ASHRAE Saskatoon was awarded $ 5,000.00 by ASHRAE Research to study heat loss through windows under combined pressure and temperature difference. An apparatus was built at the University of Saskatchewan to study this project.
Membership, 35 and student membership 77.

The original roster of the chapter members was put out in early 1968. The first copy was free to the members, additional copies were $3.00 each. No copies were available for the records.

Golf tournament held June 1, 1968 at the Saskatoon Golf & Country Club. The cost was $6.00 per member, golf and meal included.

John Ross curling was held in Calgary March 16, 1968. Calgary was the winning club.
President Lloyd Wilson
Vice President Boris Kishchuk
Secretary Greg Eyolfson
Treasurer Fred Welling
Director Ed Zook
Director Ray Graves

There was an expansion proposed into Prince Albert to either form a new ASHRAE chapter or at least to gain more members from Prince Albert for Saskatoon. At this time we had two members from Prince Albert.

September 1968 meeting was a tour of R.P. - 73. This was an ASHRAE research project (Air infiltration of windows) at the University of Saskatchewan, under the direction of Dr. George Green.

November 1968. Dr. Kavadas of the University of Saskatchewan spoke on space research and upper atmosphere studies and showed slides of his work.

January 1969. A panel discussion was held on the use of permanent equipment regarding warranty and responsibility, and also the importance of a qualified operator. The panelists were John Daniels - Consulting Engineer, Bob Hall - University of Saskatchewan - Owner, Cliff Wright - General Contractor, E. Renouf - Mechanical Contractor, Phil Scott - Architect. The conclusion was that permanent heating equipment should be used for temporary heat and warranty should start from the time of takeover.

April 1969. A tour of the facilities of the Saskatchewan Institute of Applied Arts and Science. A meal was served by the Institute.
C.R.C. was held in Halifax, May 14 to 16, 1969.
Delegate - Boris Kishchuk, Alternate - Greg Eyolfson.
Expenses were $88.85 and airfare $519.48. Airfare was
50% refunded by ASHRAE.

Membership was 49 with 30 students. Meetings were
held at the Saskatoon Club.

Golf tournament was held June 16, 1969, winding up
with a steak dinner at the Saskatoon Club at a total cost
of $6.00 per member.

Winnipeg won the John Ross trophy this year.

Chapter dues were $25.00 per year including meals.

The year wound up with a banquet and dance on May
30, 1969 at the Cavalier Hotel with 24 couples in attend-
dance.
ASHRAE Saskatoon 1969 - 1970

President          Boris Kishchuk
Vice President     Greg Eyolfson
Secretary          Fred Welling
Treasurer          Ed Zook
Program            Fred Chernoff
Membership         Marc Gaudet
                   Bart Bartlett
                   Ray Graves

The September meeting was a golf tournament, followed by a dinner and successful evening.

A Christmas social evening was the December meeting.

In January, A. Aldous, Manager of the Saskatoon Branch of Royal Trust, spoke on investments.

At the February meeting John Faiczak, of Honeywell Controls, highlighted special control systems.

John Ross curling was held in Winnipeg March 21, 1970 and Frank Gerbrandt, Blaine Tollefson, Vic Savoie, and Bill Peters won the event and returned the trophy to Saskatoon.

In April, George Doige, of Johnson Controls talked on computerized control systems.

June saw another golf tournament at the Saskatoon Golf and Country Club at a cost of $6.00 for golf and dinner.

C.R.C. was held in Winnipeg May 6 to 8, 1970. Delegate - Greg Eyolfson, Alternate - Fred Welling.
A membership of 86 people had 48 paid and 38 not paid. Meetings were held at the Saskatoon Club.

The Research Promotion Campaign collected $260.00 from 10 contributors.

Dan Creighton presented a trophy to ASHRAE Saskatoon for local chapter curling competition. Dan became a member shortly thereafter. This event became the Dan Creighton playoff for the Saskatoon Chapter.

Many excellent members from our chapter left the city: J. Jerrard, T. Forrestor, K. Botting, Don Wilson, Bill Herr - Past President, and Glen Pearson - Past President.

ASHRAE bursaries for Saskatchewan was discussed with the Regina Chapter. Because of the bursary participants, Saskatoon Chapter decided not to become involved.
Members who left Saskatoon for other cities: Lloyd Wilson - Past President, Fred Welling - Past Secretary, and John Meacham.

A membership roster was prepared by Marc Gaudet, Bill Peters, and Fred Chernoff. Meetings were held at the Saskatoon Club.

September 15, 1970. A Golf tournament was held at Riverside Golf and Country Club at a cost of $7.50 for golf and dinner.

November 16, 1970. Jake Klassen, Region II Chairman, gave a short address. Jake graduated from the University of Saskatchewan, Saskatoon in 1943. Guest speaker was Dr. E. Llewellyn, University of Saskatchewan, speaking on upper atmosphere conditions.

February 23, 1971. A panel discussion was held on methods of specifying mechanical equipment with members: J. McCartan, J. Daniels, M. Jones, B. Bartlett, J. Peters.

John Ross curling was held in Saskatoon at the University rink on March 13, 1971. The winners were Calgary. Our team at this years playdown was comprised of E. Renouf,
C. Murray, K. McCallen, G. Thorpe (P.A.). The cost to Saskatoon Chapter for hosting curling was $187.55, plus an additional $160.00 for our team. The local playoff was held February 20, 1971 at a cost of $2.00 per curler.

April 1971. A past president's pin was presented to Boris Kishchuk. Past Vice President, Fred Welling, was sent a beer stein and a letter of appreciation for services rendered to the chapter.

C.R.C. was held in Quebec City from May 12 to 14, 1971. Our delegate was Greg Eyolfson, and our alternate was Dave Hodgson.
Auditors reported revenue of $1925.38 which was an overage of $1.63.

November 16, 1971. The Saskatchewan bursary of $250.00 was approved by Saskatoon. Sponsors - ASHRAE Regina, ASHRAE Saskatoon, C.P.M.C.A. Saskatchewan. Payment 33 1/3 % by each member. The cost to each group was $83.33.

Regina Chapter challenged Saskatoon to see which would have the most couples out for the Regina Ladies Night held November 19, 1971 in Regina. Who won ????

A Christmas social was held on December 21, 1971 at HMCS Unicorn. The cost was $1.00 per couple which included a late lunch. Fifty people were in attendance.

February 15, 1972. Dr. George Green, University of
Saskatchewan spoke on the research he was doing on window infiltration. Total dollars received to date from ASHRAE $8,000.00. Hay Murray, Region II Chairman spoke on Research Promotion fund raising.

February 15, 1972. Research Promotion Chairman, Hay Murray of Region II, conducted a workshop on this subject in Saskatoon. Representatives from Edmonton, Calgary, Winnipeg, Regina, and Saskatoon attended.

C.R.C. was held in Toronto on March 15, 16, 17, 1972. Our delegate was Ed Zook, and our alternate was Bill Peters.

John Ross curling was held in Regina on March 25, 1972. Our team of Blaine Tollefson, Dave Hodgson, Jack Yerhoff, and Wendell Dent brought home the trophy to Saskatoon.

April 18, 1972. Dr. Charles Hedlin of N.R.C. Saskatoon, spoke on moisture and vapor barriers in buildings.

May 16, 1972. A panel discussion on shop drawings was moderated by Greg Eyolfson. The panelists were: P. Scott - Architect, M. Gaudet - Mechanical Consultant, B. Kowalishin - Supplier, and E. Renouf - Mechanical Contractor.

Saskatoon received the Award of Excellence for membership with an 11% increase. The monthly meetings were held at the Sheraton. Research Promotion collected $320.00 and membership stood at 39 people.

Eight members left our chapter as a result of transfers. One new member, Bob Kowalishin, transferred in.

The June 20, 1972 golf tournament was held at the
Saskatoon Golf and Country Club with a barbecue following at Labatts. Neil Clark and Dave Hodgson picked up the trophies.
ASHRAE Saskatoon 1972 - 1973

Bill Peters    President
Ernie Renouf  Vice President
Marc Gaudet   Secretary
Bob Noble     Treasurer
Frank Gerbrandt Special Events
Grant Harding Research
Vic Savoie    Program
Grant Kraus   Membership
Blaine Tollefson Director

Walter Speigel was President of ASHRAE this year.

The Award of Excellence for Saskatoon 1971 - 1972 was presented to Bill Peters.

Membership chairman Grant Kraus and Bill Peters attended a membership workshop. Brian Crowhurst, Regina Membership Chairman, became a member of the Saskatoon Chapter this year.

October 17, 1972. Bob Allen of the University of Saskatchewan, detailed the course on Refrigeration offered by the Extension Division on the Saskatoon Campus.

Ernie Renouf, Chapter Vice President, resigned November 11, 1972 when transferred to Edmonton. Bob Noble replaced Ernie as Chapter Vice President.

November 21, 1972. This meeting was a tour of the Queen Elizabeth Power Station in Saskatoon. This was not only informative but also brought forth many questions and interesting discussion.

G.M. Beaumont, Engineer and Lawyer of Saskatoon, spoke to the chapter January 16, 1973 on the legal aspects
of engineering design, highlighting any pitfalls to be avoided.

The 10th anniversary of the John Ross curling championship was hosted by Saskatoon on March 23 and 24 1973. Although our Saskatoon team was made up of Vic Savoie, Gary Stephenson, Bob Stevenson, and John Daniels; the event was still won by Regina.

C.R.C. was held in Regina May 16 and 17, 1973. Trev Harle from Regina was the conference chairman. Our delegate was Bill Peters, with Marc Gaudet as our alternate. Regina put on an excellent C.R.C. for Region II.

ASHRAE Research Promotion raised $ 500.00 and our membership stood at 39.

The first bursary winner was Brent Bradford of Saltcoats. A picture of Brent with Bill Peters, President of ASHRAE Saskatoon making the presentation and a copy of the S.I.A.A.S. press release are in the appendix. Ron McMaster, of Regina ASHRAE, had worked toward establishing this bursary over the previous two years. The bursary was a joint venture with ASHRAE Saskatoon and Regina and the C.F.M.C.A. of Saskatchewan.
ASHRAE Saskatoon 1973 – 1974

Marc Gaudet President
Bob Noble V. Pres./Program
Bob Kowalishin Secretary
Jack Yerhoff Treasurer
Frank Gerbrandt Educ./Membership
Grant Kraus Special Events
Grant Harding Research
Vic Savoie Attendance

The regular meeting location was at the Saskatoon Construction Association and was catered by William's Catering. The executive meetings were held at the Park-town Hotel.

December 6, 1973. A Christmas social encompassing a banquet and entertainment, was held in conjunction with the Mechanical Contractors. The cost ran to $15.00 per couple.

January 29, 1974. This was a combined meeting with the Specification Writers, and many suggestions and questions were brought forward.

C.R.C. was held in Ottawa March 18 to 20, 1974. Delegate - Marc Gaudet, Alternate - Bob Noble.

The chapter had 39 members.

John Ross curling. Saskatoon's winning curlers were: B. Tollefson, J. Yerhoff, M. Buhl, W. Dent.

The Saskatoon ASHRAE Chapter faced a critical situation, which without the dedicated support of all members might have seriously threatened its operation.
From an enthusiastic charter base and with a loyal membership, the chapter had until then operated at very respectable energy and performance levels. However, without much reserve membership potential, the chapter was critically affected by the economic downturn experienced at the time, which was forcing serious downscaling or closure of numerous offices.

A comprehensive and intensive person to person appeal to all firms, agencies and individuals produced the desired results. People came through. Membership maintained at levels which might not have excited larger cities but which assured our survival. Participation levels were at an all time high. Everyone might have felt duty bound to attend but in fact the fellowship and "esprit de corps" which resulted caused everyone to want to attend. The level of activity for such a small membership was exceptional. Many initiatives were taken, for example visiting the Regina Chapter.

The Saskatoon Chapter attended the CRC meeting in Ottawa, was an active participant in the Society affairs, conducted a sound technical program and operated without hesitation in spite of reduced numbers. It was a time for survivors.
Local chapter dues reached $35.00 per year including dinner and meetings were held the third Tuesday of every month.

September 17, 1974. The golf tournament was held at Holiday Park with dinner and refreshments following all for a cost of $4.00. The winners were Grant Harding and Lloyd Colborne.

November 19, 1974. This was a joint meeting with Spec Writers where Deputy Fire Commissioner, H. Atwell spoke briefly on Saskatchewan Fire Regulation.

December 11, 1974. A joint Christmas social, dinner and dance, was held with the M.C.A. Saskatoon.

February 15, 1975. The local curling playoff winning rink was B. Tollefson, B. Kostiuk, J. Yerhoff, W. Dent.

February 18, 1975. Guest speaker Don Taylor of Engineered Air spoke on make up air units.

April 15, 1975. Mel Malkin provided the chapter with a presentation, complete with pictures, on his recent trip to Russia.
May 27, 1975. At Marc Gaudet's residence for a meeting, with swimming and cocktails. Dress was informal, especially for those who chose to swim.

C.R.C. was in Calgary on April 17 to 19, 1975. Our Saskatoon delegate was Bob Noble with alternate Bob Kowalishin. The registration cost was $150.00 per person.

George Green was nominated by Saskatoon Chapter for an ASHRAE Fellow Award.

Saskatoon membership stood at 41.

George Green, of the University of Saskatchewan finalized his research on heat loss through windows. Project RP-73 was financed with $9,800.00 from ASHRAE Research.

Bill Herr, Charter President of ASHRAE Saskatoon, returned to Saskatoon in March 1975. The chapter presented Bill with a plaque expressing it's appreciation for his past services to ASHRAE and Merle, Bill's wife, was presented with flowers.

John Ross curling was held in Saskatoon on March 22, 1975 in conjunction with the President's Ball and banquet. Regina were the winners. Funding for curling was discussed because of the cost for each chapter and participant.
Professor George Green of the University of Saskatchewan was elevated to the level of Fellow Membership. George had always given of his time and talents in assisting our chapter.

October 21, 1975. A tour of Saskatoon Boiler Manufacturing was given by Ray Graves, owner and Saskatoon ASHRAE member.

December 16, 1975. The chapter were guests of the M.C.A. Saskatoon at the Saskatoon Club for a Christmas social evening with the ladies.

February 17, 1976. Stan Nakrayko, Secretary of the chapter, presented an ESA Computer Energy Analysis program that was well received by the members and guests.

March 16, 1976. Bruce Menlove of American Air Filter spoke to the chapter on "Energy, the real consideration in filter selection".

March 19, 1976. Donald Ledgett, Director and Regional Chairman of Region II, visited our chapter.

The John Ross curling playdowns were held in Regina
April 3, 1976 at a fee of $160.00 per rink. The winners were Regina Chapter.

Delegate - Bob Kowalishin, Alternate - Blaine Tollefson.

Saskatoon Chapter membership stood at 36.
Regular meetings were held the third Tuesday of each month at the Construction Association on 2nd Avenue.

Lloyd Colborne replaced Bill Kostiuk when Bill resigned as treasurer.

Chapter dues climbed to $40.00 per member, including meals.

September 21, 1976. The golf tournament had 13 golfers and 16 for dinner. Lloyd Colborne and Frank Hilbert took the prizes this year.

October 19, 1976. Dr. George Green, University of Saskatchewan, spoke to the chapter on research projects he is conducting along with H.V.A.C. practises in Europe.

November 19, 1976. Some of the guests were George Menzies, Region II Chairman, from Hamilton; Herb Sage, of Winnipeg, Region II Membership Chairman, and Larry Dinter, of Kelsey Institute of Saskatoon. George Menzies spoke to the chapter regarding membership and the attraction of new members. Saskatoon Chapter hosted 25 student members from Kelsey Institute.
December 17, 1976. ASHRAE hosted the Mechanical Contractors for the Christmas social. It was held at the Armoury with lunch served at a cost of $10.00 per couple.

March 26, 1977. An ASHRAE mixed curling and dinner was held at the Granite Curling Club, Saskatoon.

C.R.C. was held in Winnipeg April 20 to 22, 1976. Delegate - Stan Nakrayko, Alternate - Brian Crowhurst.

June 20, 1977. The golf tournament at Riverside Golf Club was concluded with dinner.

Saskatoon Chapter membership stood at 41.
ASHRAE Saskatoon 1977 - 1978

Stan Nakrayko President
Brian Crowhurst Vice President
Lloyd Colborne Secretary
Gerry Boulanger Treasurer
Jim McCartan Director
Wendell Dent Director
Vic Pankoski Director
Roy Clarke Director
Fred Johnson Director
Ken McCallen Director

Krishna Sareen replaced Lloyd Colborne as Secretary when Lloyd moved from Saskatoon to Calgary.

Saskatoon Chapter membership was 44.

Bill Herr who was the interim charter president of Saskatoon ASHRAE in 1966, was president this year of the Southern Alberta Chapter.

Jack Scott, who is now a Saskatoon Chapter member, was this year's Regina Chapter delegate to the C.R.C.

October 18, 1977. Each of our members sponsored one student from the second year Kelsey Mechanical Technologists to dinner at Williams Restaurant.

March 14, 1978. Don Allen from Trane Canada was the guest speaker and talked on the Principals of Heat Recovery and Centrifugal Chillers.

The John Ross curling championship was held in Edmonton March 31, 1987 and the Regina chapter won the trophy.

earch Council of Saskatoon spoke on insulation and va-
por barriers, an area where he was doing a considerable
amount of hands on research.

C.R.C. was held in London, Ontario April 19 to 21,
1978. Delegate - Brian Crowhurst, Alternate - Lloyd
Colborne and Gerry Boulanger.
ASHRAE Saskatoon 1978 - 1979

Brian Crowhurst  President
Gerry Boulanger  Vice President
Roy Clarke  Secretary
Wendell Dent  Treasurer
Merv Buhl  Director
Bob Cowan  Director
Grant Jones  Director
Krishna Sareen  Director

The Saskatoon Chapter membership was 39.

Stan Nakrayko, ASHRAE Research Promotion Chairman and his committee raised $1,505.00 exceeding their quota of $1,500.00. This represented a per member donation amount of $31.35.

The John Ross curling championship was held in Saskatoon and Regina took home the trophy presented by John Ross.

Saskatoon became part of Region 11 of ASHRAE as a result of regional reorganization. The new region included Manitoba, Saskatchewan, Alberta, British Columbia, Alaska, Washington, and Oregon. A great deal of discussion took place at our chapter level on the switch from Region II to 11. It was felt that a Canadian Region would be of more pertinence to our chapter.

C.R.C. was held in Saskatoon. Delegate - Wendell Dent, Alternate - Grant Jones. Saskatoon won the PAOE award.

C.R.C. was held and hosted in Saskatoon May 23 to May 26, 1979 at the Sheraton Cavalier Hotel. Our C.R.C. Chairman, Gerry Boulanger, left for overseas at the last
minute and a well co-ordinated effort by President, Stan Nakrayko, Brian Crowhurst, Wendell Dent, Greg Eyolfson, Bob Kowalishin, Marc Gaudet, Bob Cowan and others resulted in an excellent turn out with good session, good food, and good association.

As this was the first C.R.C. our chapter had ever hosted we had some problems. The committee co-ordinated their efforts and pulled together to make this not only a good C.R.C. but also a fun time. Local members entertained the guests from out of town in their homes. The ladies were involved in a number of the functions. Ron McKay looked after a golf day held in conjunction with the C.R.C.

Research Promotion Chairman, Brian Crowhurst, accumulated $1,210.00 of the $1,800.00 goal.

Chapter membership stood at 65 and regular meetings were held at the Construction Association on the third Tuesday of each month.

The John Ross curling championship was held in Edmonton with the winning team from the host city.

An Energy Seminar "Energy Management Means Profit" was held in Saskatoon October 6 and 7, 1979. This seminar, on this scale, was the first one for Saskatoon Chapter and required a great deal of work and attention.

February 21, 1980. A tour of the Kelsey Institute Departments of Mechanical Technology, Plumbing, Welding, and Sheet Metal was this month's program.

May 9, 1980 was past presidents night where Saskatoon Chapter invited all past presidents from 1965 to the present. Ten of the fourteen past presidents were in attendance and each was presented with a past president's pin. Roy Currie of Saskatoon spoke on verbal communications. The past presidents in attendance for this meeting were:

Bob Noble, chapter member, spoke to us on trade definitions and their effect on the members of the construction industry.

C.R.C. was held in Alaska. Delegate - Gerry Boulanger Alternate - Krishna Sareen.

The 1978 - 1979 PAOE award was accepted by Gerry Boulanger at the Alaska C.R.C.

The Saskatoon Chapter had 70 members. We were second in Region 11 for membership growth. Regular meetings were held the third Tuesday of each month at the Saskatoon Construction Association.

The energy seminar, "Energy Management Means Profit", was held, under Dave Eckmire's guidance in Saskatoon October 6 and 7, 1980. Though it was a first time seminar it was rated as excellent by the participants. George Green, Arnie Spriggs, Marc Gaudet, and Leo Fries contributed to the seminar which was co-sponsored by ASHRAE Saskatoon and Saskatchewan Power. Approximately 50 people attended from Saskatoon, North Battleford, Prince Albert, Nipawin and Humboldt.

November 18, 1980. Thirty-three student members from Kelsey attended our meeting and were apprised of their employment opportunities in our industry: chapter member speakers, J. McCartan, J. Peters, G. Boulanger, R. Graves

A Christmas social was held December 5, 1980 jointly by MCA and ASHRAE at the Armories in Saskatoon. A late lunch was served.
January 13, 1981. The Membership Chairman, Tony Shyluk, advised that 14 chapter members were being upgraded. The energy seminar account now has a surplus of $1,800.00 from the October venture. Cliff Martenson of Region 11 was a guest at this months meeting.

February 10, 1981. Mr. Bill Eatock, P. Eng. of PCS, spoke to us on potash refining in Saskatchewan.

March 10, 1981. The chapter had a tour of the new Engineering College Building on campus.

There was no competition in 1981 in John Ross curling.

The current bank account balance stood at $3,019.00.

April 12, 1981. Discussions on the C.R.C. in Edmonton resulted in the decision that if other members of our chapter wished to attend that their registration would be paid by the chapter.

C.R.C. was held in Edmonton May 13 to 15, 1981. Delegate - Krishna Sareen, Alternate - Grant Jones.

May 22, 1981. Krishna Sareen reported on the C.R.C. indicating that he, Grant Jones and Wendell Dent found it very interesting and educational. Martin McDougal, Regional Chairman, was welcomed to our meeting.

Ron McKay was the winner of a golf tournament held on June 16, 1981 at Holiday Park.

June 19, 1981. Gerry Boulanger reported that Research promotion had 106% of its objective and had collected $2,756.00 against a target of $2,600.00. The Saskatoon chapter had contributed $750.00.

J. Scott  Director

September 18, 1981. Chapter dues were set at $60.00 to include meetings and dinners. Bill Dean reported that we were experiencing more involvement from the University of Saskatchewan and that fundamental handbooks were distributed to students.

Bob Cowan familiarized delegates to the C.R.C. with general procedures.

Denis Moorman was to compile an up to date listing of members, send out upgrading notices, and arrange for proper introductions of members.

Dave Eckmire would be assisting in the organization of the Building Operator's Seminar.

Wendell Dent indicated that the Research Promotion quota was $2,750.00. Our target would be $3,000.00 in order to receive PAOE points. A total of $3,090.00 was raised with the assistance of Marc Gaudet and Jack Scott.

October 1981. A presentation was given by Doug Bassett of SED Systems on monitoring systems they had designed for the Saskatoon water treatment plant. The tech-
tional session saw Brian Cook of Dearborn Chemical Co. speak on water treatment for the HVAC industry.

November 1981. Bob Kowalishin, chapter member, detailed computer applications available for HVAC design at the technical session.

December 1981. The MCA/ASHRAE Christmas social was held at Williams Restaurant with excellent attendance by members and guests.

January 1982. Student night saw twenty-five Kelsey students in attendance. Bruce Menlove, Region 11 Membership Chairman, spoke to the chapter on the benefits of ASHRAE membership.

February 1982. The technical session saw Henry Hicks of ICG Energy speak on controls for indirect and direct fired heating units.

The John Ross curling championship held in Edmonton on February 27, 1982 was capped by another Regina win.

March 1982. The chapter newsletter POWUR (Potash, Oil, Wheat, Uranium) News started in Saskatoon with the first editor being Jack Scott, a previous past president of Regina Chapter.

The C.R.C. was in Coeur d'Alene attended by our Delegate G. Jones, and Alternate B. Cowan.

April 13, 1982. Marty McDougall, Region 11 Chairman was in attendance. Jim Hotchkiss of E. H. Price discussed various methods of selection of air distribution outlets. Dave Fairlie, Saskatoon City Industrial Development Officer, gave a slide presentation on development opportunities in Saskatoon. A telecast on home energy saving,
organized by Dave Eckmire and Ron Lefebvre and sponsored by our chapter was well received by the viewing public.
Grant Jones President
Bob Cowan Vice President
Bill Dean Secretary
D. Moorman/R. Lefebvre Treasurer
Dave Eckmire Director
Gary Parks Director
Ron Lefebvre Education
Jack Scott Editor

Regular meetings were held at the Saskatoon Construction Association and dues of $70.00 included meals.

Research Promotion Chairman, Krishna Sareen, targeted our goal at $3,100.00. Saskatoon Chapter collected a total of $2,730.00.

October 12, 1982. Jim Park, Chairman of Region 11, gave a short address to the chapter on regional goals.

Denis Moorman resigned both his position as treasurer and from the chapter due to new job responsibilities and lack of available time. Ron Lefebvre assumed Denis' duties.

November 9, 1982. Saskatoon Co-op approached ASHRAE to show Energy Conservation slides at their nome centre. This was not approved but the chapter agreed to show the slides if the Saskatoon Co-op sponsored it in a public location.

Bob Gawley and R. Rowland of the Provincial Fire Commissioner's Office spoke to the chapter on building design with respect to, fire regulations and various types of fire pumps.

Miles Murray and Bernie Stadnyk accepted positions
on the chapter executive.

December 14, 1982. Gary Parks produced a new chapter roster costing $200.00. The speaker was from the Gas Division, Department of Labor, speaking on the gas code.

January 11, 1983. Mechanical Technology Students attended this meeting and local chapter members (Krishna Sareen - Engineer; Jack Scott - Supplier; Les Laroque - Contractor; Ernie Belke - Manufacturer) advised them of their opportunities in the Mechanical Industry.

The John Ross curling championship, held in Regina March 26, 1983 was won by Saskatoon.

An Energy Seminar sponsored by ASHRAE Saskatoon was held April 13, 1983.

C.R.C. was held in Regina May 11 to 13, 1983. Our Delegate was Bob Cowan and Alternate Bill Dean.
Bob Cowan                  President
Bill Dean                  Vice President
Ron Lefebvre               Secretary
Bernie Stadnyk/Dave Fisher Treasurer
Gary Parks                  Membership
Miles Murray               Energy Management

The Research Promotion goal for 1983 - 1984 was $3,200.00. Chairman Grant Jones was successful in raising $2,800.00.

Jack Scott presented a new chapter roster financed by charging a $10.00 fee for each business card display.

Dave Fisher accepted the treasurer's position November 8, 1983.

Rick Savoie became the new Membership Chairman.

Roy Clarke was the Education Chairman.

December 1983. Roy Ball, Saskatoon President of the Spec Writers of Canada presented a short address. Bruce Menlove of Winnipeg was visiting our chapter. A panel discussion on Equals and Alternates/Approval and Review was held. The panel was made up of G. Jones, W. Dent, G. Eyolfson, and Roy Ball.

The Saskatoon Chapter participated in two seminars for Home Energy and Heating in conjunction with Energy Mines and Resources Canada, Saskatchewan Power, and the City of Saskatoon.

February 1984. "HVAC Mac" made his first appearance in the POWUR News. Who is/was he or she?????? The com-
ments made stirred up a great deal of interest. Jim Park, Chairman Region 11, attended our meeting and brought us up to date on the activities of our region.

The John Ross Curling championship was held in Saskatoon March 31, 1984 and Saskatoon Chapter was the winner.

March 1984. The Operators Seminar chaired by Bob Cowan was a successful venture with twenty-six people in attendance. All comments were favorable and a profit of $1,350.00 was realized.

C.R.C. was held in Coeur d'Alene, Oregon March 9 to 11, 1984. Delegate Bill Dean, Alternate Ron Lefebvre.

May 1984. Thermography was the subject of Dr. Mike Stoneham of Thermal Focus Inc. and Dan Thompson of Johnson Controls and chapter member spoke on Direct Digital Controls.

The golf tournament was held May 30, 1984 at Holiday Park Golf Course.

June wound up the year with a slow pitch ball game in which everyone who wanted to, played. It was difficult to figure out who was playing or what team (16 each team) they were on. The good people won in the end. This game was played in conjunction with our barbecue and a later apres baseball session.
ASHRAE Saskatoon 1984-1985

Bill Dean President
Ron Lefebvre Vice President
Dave Fisher Secretary
Mike Marsh Treasurer
Rick Savoie Membership
Miles Murray Energy
Roy Clarke Education

George Green was presented with a life membership by President Bill Dean. This was a first for our chapter. Jack Scott POWUR News editor resigned from the publication, and Dave Fisher had temporarily taken on the editor's duties. Bob Cowan, Research Promotion Chairman, advised this year's goal $3,400.00. Bob attended the research workshop in Seattle December 1, 1984 and finished the year by collecting $3,005.00. Paul Fung and Rick Schuler were new directors at large.

Chapter membership costs of $100.00 included dues and meals. September 11, 1984 saw the first table top display by Gord Nagus, Saskatoon Chapter.

The 1984/1985 roster cost was $600.00 and was financed with $15.00 for each business card display. Each chapter member received a roster listing all members.

The Dan Creighton local curling playdown was won by B. Tollefson, M. Buhl, L. Larocque and G. Jones but unfortunately the John Ross playdown was not held in 1985.

October 1984. The two speakers for this meeting were: J. Sawyers of Keen Engineering on his ASHRAE energy award; and D. Weiler of Major Products, Government of Saskatchewan, who spoke on Buying Saskatchewan Product.

November 1984. Wendell Dent advised that the M.C.A.
show would be on April 11 & 12 1985 at the Saskatoon Inn and that in 1984 there were 1,000 end users that toured this show.

George Green and Krishna Sareen brought us up to date on ASHRAE Research project RP-397, The Effect of Ventilation on Absenteeism in Schools.

December 11, 1984. ASHRAE was asked to be involved in reviewing the plumbing code for the Province of Saskatchewan. A stainless steel, reproduction plaque of the ASHRAE logo was found, mounted and was to be presented annually to the Presidential award winner for local chapter involvement. The speaker was Ron Moroz, Deputy Minister of Economic Development & Trade.

January 8, 1985. The Student Night theme was opportunities in the HVAC Industry. A panel of B. Dent, Mechanical Contractor; J. Daniels, Consulting Engineer; R. Clarke, Owner; R. Savoie, Supplier covered their areas for the benefit of the Kelsey students.

February 12, 1985. Otto Cutts, Deputy Minister of Supply and Services spoke breifly.

March 12, 1985. Roy Clarke, Education Chairman, advised that our chapter had 100 student members. We had a compliment of 82 chapter members with 2 delinquents subsequently cleared up.

April 9, 1985. Jim Park, Chairman of Region 11, was in attendance and spoke to us breifly. Trevor Williams, Kelsey Institute - Saskatoon, spoke on the state of the art CAD-CAM System.

May 1985. C.R.C. was held in Winnipeg, in May 1985. Delegate - Ron Lefebvre, Alternate - Dave Fisher. Sask-
atoom had two resolutions approved to be brought forward at Honolulu. They were:

1) PAOE formula to be revised so as not to discriminate against smaller chapters.
2) ASHRAE publish one film per year.

June 11, 1985. The ball game and barbecue was again held with a large enthusiastic group and again there was no clear winner.

Saskatoon Chapter dues including meals were $100.00 with meetings held at the Saskatoon Construction Association on the second Tuesday of each month.

We attracted ten new members this year and Ken Botting, who was a member in 1966, also rejoined our chapter.
Regular meetings were held at the Saskatoon Construction Association on the second Tuesday of each month and yearly membership dues were $100.00 with prepaid meals. The chapter membership stood at 91. Bill Dean, Research Promotion Chairman, had a goal of $3,400.00.

Our chapter won the Top Dog Award for Region 11 for Research Promotion under the guidance of Bill Dean.

Ron Lefebvre displayed the new presidential award for outstanding achievement.

C.R.C. was held in Vancouver with Delegate - Mike Marsh, Alternate - Dave Fisher, and also Paul Fung in attendance. Two resolutions submitted by Saskatoon were passed: 1) ASHRAE develop a cold climate design. 2) Student members be struck from membership at time of membership renewal.

October 8, 1985. Don Gibb, of Teckman Controls Ltd. conducted the technical session and Brian Current of Sask Power spoke about the Power Corporation.

November 12, 1985. Dr. Charles Hedlin, of N.R.C. Saskatoon, spoke to us on current research in the nat-
ional and prairie regions which included air quality studies.

December 1985. The past president and historian night was a successful evening with a number of past presidents in attendance.

January 1986. This was a lively panel discussion on Equals, Alternates and Base Bid. The panel was made up of Stan Nakrayko, Grant Jones, Bernie Lukan, and Bob Kowalishin.

February 1986. Det Geopfert, Region 11 Chairman, brought good wishes from headquarters and gave a short talk. Rick Lang, University of Saskatchewan, spoke on office environment in the future.

March 14, 1986. The Building Operators Seminar was very successful. Brent Gough, lawyer, addressed the chapter on the new builders lien act as it related to our industry.

The Dan Creighton Curling March 1986 championship was won by the Blaine Tollefsen rink.

The John Ross curling championship was held in Saskatoon April 5, 1986. Saskatoon Chapter won the event and Grant Jones brought the John Ross trophy with him to show the chapter.

Dr. George Green, a long time Saskatoon Chapter member, passed away on March 15, 1986. George was an outstanding member of our local chapter and of ASHRAE. He was aware of life around him and did things to help others. His research projects, undertaken for ASHRAE, were of excellent caliber and were well suited to our location and climate. George was also involved in the design and
building of greenhouses which used exhaust heat from power and compressor stations. His plan was to establish facilities in the north that would provide fresh produce for local areas year round.

George Green's passing was a great loss to ASHRAE. As a prominent member of our chapter, a Fellow of the Society, and a valuable contributor to ASHRAE through research, he will be missed.

Roy Clarke, chapter treasurer, moved to Moose Jaw and Jack Scott filled Roy's position until June 1986.

May 1986. Saskatoon Chapter, Bill Dean Chairman, received the "Top Dog Award" for research promotion. The goal was $3,400.00 and to date $4,020.00 had been raised. Saskatoon Chapter finished second in Region 11 for both membership and the Richard Perry award for best chapter. Krishna Sareen spoke on a heat recovery system at the Prairie Malt Plant in Biggar and Marg Williams, of Centre West Air, spoke on systems balancing.

June 1986. The ball tournament and barbecue wound up a very successful year.
Dave Fisher          President
Mike Marsh          Vice President
Darrell Solie       Secretary
Steve Johnson       Treasurer
Ron Lefebvre        Past President
Paul Fung           Membership
Dan Thompson Ener./Gov't. Affairs
Brian Dent          Educ./Student Night
Bill Dean           Research

The chapter membership dues at $100.00 included meals. Our regular meetings were held at the Saskatoon Construction Association on the second Tuesday of every month.

Lew Seagraves, Region 11 Membership Vice Chairman updated us on ASHRAE and Paul Fung was presented a blue ribbon award for membership. Ron Lefebvre, past president, was also presented with PAOE award for improvement in the chapter.

November 1986. Research Promotion Chairman, Bill Dean, attended the workshop in Vancouver and our goal was set at $4,000.00. A total of $5,025.00 was collected. Brian Dent's Education Report indicated that student night was costly with poor chapter membership turn out. It was moved to discontinue student night and instead provide ASHRAE handbooks to Kelsey and University of Saskatchewan libraries and present industry oriented seminars. Constable Maitland Whitlaw of the Saskatoon Police spoke on Crime Prevention and Business Watch.

December 1986. Dan Thompson advised that Marquis Hall on the University of Saskatchewan, Saskatoon campus, is being submitted for the energy award. Mike Nicholson
of Kilborn Engineering spoke on the Design and Construction of the Co-op Heavy Oil Upgrader in Regina. Everyone enjoyed a social evening.

February 1987. We had 85 student members from the U of S. The Saskatoon chapter held its first mini trade show which was a great success with 107 people attending and $ 800.00 in profit generated.

The ASHRAE technology report lists task force on Cold Climate Design Procedures as a newly established research and technical committee. This is a result of the 1986 C.R.C. Saskatoon Chapter motion.

The honor of Fellow was bestowed on Charles Hedlin of the Saskatoon Chapter, at ASHRAE's 1987 Winter meeting in New York. He is one of ASHRAE's 400, honored with the Fellow award and is a charter member of the Saskatoon Chapter.

March 1987. Dave Mickie, Vice Chairman Region 11 Research Promotion was in attendance. Lloyd Anderson of Kelsey spoke on courses available and the direction of the Refrigeration Department.

The Dan Creighton Trophy was won by Merv Buhl, Blaine Tollefson, Darrell Solie, and Mike Marsh on the 22nd of March 1987 and the John Ross Curling championship was held in Saskatoon April 14, 1987. Calgary took home the trophy.

April 1987. The Technical Session saw Greg Eyolfson,
a chapter member, enlighten us on the different types of air filters and their applications.

Bob Besant, Head of Mechanical Engineering Department at the University of Saskatchewan spoke on HVAC/ASHRAE related work being carried out at the University.

Fred Kohloss, ASHRAE President, was in attendance at our meeting. This was the first time a President had visited the Saskatoon Chapter. He also held a breakfast meeting the next morning with the executive. Jerry Radu, Region 2 Energy Management Vice Chairman, attended the Building Operators Seminar, held March 21, 1987. There were forty people in attendance (a full house) and our chapter realized $600.00 in profit from our involvement.

C.R.C. was held in Richland, Washington May 27 to 30, 1987. Delegate - Mike Marsh and Alternate - Darrell Solie put forward two motions: 1) Cost of ASHRAE Fundamentals handbook be reduced for student members. 2) ASHRAE produce and distribute to all chapters a video tape presentation on one technical subject per year.

APPENDIX 2

Items of Historical Interest about Saskatoon Chapter

John Peters - Past President of Saskatoon Chapter 1967 - 1968 and brother Bill Peters, President Saskatoon Chapter 1971 - 1972, both are still active members of the chapter.

Marc Gaudet - Past President Saskatoon 1973 - 1974 and son Dale who is the immediate Past President of the Student Chapter of Southern Alberta. Both are presently members of the Saskatoon Chapter.

Bob Kowalishin - Past President of Saskatoon Chapter 1975 - 1976 and Mike Marsh, President of Saskatoon Chapter 1987 - 1988 are both employed by Trane Canada, Saskatoon.

Jerry Boulanger - Past President Saskatoon 1979 - 1980 was also President in Regina 1986 - 1987.

Jack Scott - President Regina Chapter 1978 - 1979. Joined Saskatoon Chapter in 1981 and was instrumental in starting the Saskatoon Chapter bulletin POWUR NEWS, becoming the first editor in May 1982.
Items of Historical Interest about Saskatoon Chapter

At the chapter's inception, curling was the group's winter sport and golf the summer. Although curling remains as it was, slow pitch baseball has replaced golf.

The social evening involving the ladies used to be held in December as a dinner/dance. Now it has been moved to June to coincide with the barbecue and baseball game.

Saskatoon Chapter admitted its first two student members in 1967 from the University of Saskatchewan.

Bart Bartlett, at one time secretary of the Saskatoon Chapter, and now of Edmonton wrote in the minutes of the executive meetings, "A liquid supper was served." Any idea what he meant by this???

Ken Botting - was a Saskatoon member of ASHRAE Saskatchewan Chapter 1965, and also a charter member of Saskatoon Chapter (March 25, 1966). Ken left in 1969 and returned in 1984. He continues his membership in ASHRAE Saskatoon.

Dave Fisher and Brian Dent, both from Prince Albert, attended grades one and two together at Arthur Peachey School in Prince Albert. Both moved to Saskatoon, taking Mechanical Technology in Saskatoon at the same time. Both are members of the Saskatoon Chapter and both are in business in Saskatoon.

Rick Savoie and father Vic were both active members in ASHRAE Saskatoon through 1985 - 1986. Rick is still active and father and son share the common distinction of having both served on the chapter executive.
Items of Historical Interest about Saskatoon Chapter

Saskatoon has two female members. Maxine Graves has been a member since 1978 and serves as the chapter auditor, and Margaret Williams has been a member since 1984 and has been editor of the POWUR NEWS since September 1985.
APPENDIX 3

Items of Historical Interest about Saskatoon Chapter

The Regina Chapter sponsored the new Saskatoon Chapter in 1966. At that time their President, Reg Briggs, presented Saskatoon with a lecturn, embossed with the ASHRAE emblem, and made of stainless steel, as their special presentation to our chapter.

Ted McRoberts, former Vice President of the Regina Chapter in 1974, now of the Saskatoon Chapter, hand made the lecturn along with the ASHRAE logo dies, putting 100 hours into this task. At the same time he made an identical lecturn for the Regina Chapter and produced five embossed small emblems out of stainless steel and galvanized sheet metal.

Saskatoon recently found their stainless steel emblem and presents it yearly as a Presidential award for the person doing the most for the chapter.

Subsequent to the presentation of the lecturn to Saskatoon, a golf tournament was hosted by the Regina Chapter. Two of our Saskatoon members, namely Bill Herr and John Peters participated. At this time the Regina lecturn disappeared. When it re-surfaced in Saskatoon a year or so later, it was returned to Regina. Bill and John could probably provide some interesting detail to round out this story.

George Green was a charter member of both the Saskatchewan and Saskatoon Chapters, and was a director of the Saskatchewan Chapter in 1962 - 1963.

George received two grants from ASHRAE for research projects in Saskatoon. Research Project RP-73 investigated Air Infiltration of Windows in 1967 with a grant totalling $9,800.00. Research Project RP-397 studied
Items of Historical Interest about Saskatoon Chapter

the effects of ventilation and humidity on airborne bacteria in schools and the resultant effects on absenteeism. The grant totalled $50,050.00 and involved many schools throughout Saskatoon. The results of the project indicated that carpets added greatly to the bacteria count, and that floor finishes should be sheet linoleum or tile. Krishna Sareen and A.D. Osbourne of Saskatoon were also involved in this project with George.

George Green was awarded an ASHRAE life membership (a first for our chapter) and in 1975 was elevated to the level of Fellow of the Society.

Charles Hedlin was presented with his Fellow award in 1987 at the ASHRAE Winter meeting in New York. Charles was a charter member of our chapter as well as a previous member of the Saskatchewan Chapter. Charley has always remained available to the chapter to keep us updated on his activities involving Saskatchewan and the National Research Council.
Local members involved in applying for ASHRAE Chapter status for Saskatoon, March 25, 1966.

PRESS RELEASE

PRESS RELEASE DATE: IMMEDIATE

THE A.S.H.R.A.E. MECHANICAL CONTRACTING INDUSTRY BURSARY WAS RECENTLY PRESENTED TO BREN'T BRADFORD, OF SALTCOATS, SASK., FIRST YEAR STUDENT IN MECHANICAL TECHNOLOGY AT THE SASKATCHEWAN INSTITUTE OF APPLIED ARTS AND SCIENCES IN SASKATOON.

BILL PETERS, OF UNDERWOOD MCLELLAN CONSULTING ENGINEERS PRESENTED THE SCHOLARSHIP.
November 1, 1975

Mr. George H. Green
Assistant Professor
College of Engineering
University of Saskatoon
Saskatoon, Saskatchewan, Canada

Subject: FELLOW AWARD

Dear George,

I am pleased to let you know that during the Boston Meeting in June, the Board of Directors voted to elevate you to the grade of FELLOW.

The award will be presented at the ASHRAE Semiannual Meeting, at the Statler Hilton Hotel in Dallas, Texas, during the Plenary Session on Monday morning February 2, 1976.

The Plenary Session is scheduled to convene in the Grand Ballroom on the Mezzanine Floor at 9:00 a.m. However, I would like you to be there at 8:30 so that you can be seated in a special location with the other recipients.

I do hope that it will be possible for you to be present to receive this very important award, and for your convenience I am attaching a self-addressed stamped postcard - please return this to me no later than the end of December. If you cannot attend, special arrangements will be made to have the award presented at your local Chapter meeting at a later date.

Prior to distribution, an appropriate release will be prepared by ASHRAE for distribution to the press.

My congratulations to you on receiving this recognition, and I look forward to seeing you in Dallas.

Mr. Ralph S. Burkowsky - Manager, Meetings & Conferences.
Charter
of the
Saskatoon, Chapter
An Authorized Chapter of the
American Society of Heating, Refrigerating
and Air-Conditioning Engineers, Inc.

This Chapter is established for the purpose of advancing the arts and sciences of Heating, Refrigeration, Air-Conditioning and Ventilation, and the allied arts and sciences, for the benefit of the general public.

This Chapter shall be governed by the provisions of the Society's Charter and By-Laws, the Rules promulgated by the Board of Directors in harmony therewith, and any amendments to the foregoing.

Only members of the Society in good standing shall be eligible to become and remain members of this Chapter.

This Charter is revocable by action of the Board of Directors taken pursuant to the Society's By-Laws and Rules.

Granted this 25th day of March, 1966.

American Society of Heating, Refrigerating and Air-Conditioning Engineers, Inc.

JOHN ROSS CURLING TROPHY

For those of you who have been wondering who John Ross is, we reprint the following from June 28, 1983 written by Richard P. Perry, then President of ASHRAE.

I first met John in 1976 when ASHRAE participated for the first time as an honorary sponsor of the Canadian Environmental Exposition in Toronto. It was in that year that then ASHRAE President William P. Chapman appointed John as his presidential representative in Canada, a position that each succeeding ASHRAE president appointed John to until 1983 when he announced his preference to take life a little bit easier.

John Henry Ross joined ASHVE (a predecessor of ASHRAE) in 1946.

After receiving his B.Sc. in mechanical engineering in 1935 from Queens University, Kingston, Ont., John gained brief experience as a draftsman and then joined the Canadian National Carbon Co. in Toronto. He went to Buenos Aires, Argentina, in 1937 to work on the design and operation of a new factory for National Carbon's foreign department. In the years following, he was employed in various design, installation and maintenance capacities until 1945 when he started private practice as a consulting engineer.

John is a former president of the Toronto Chapter and was on many Society committees, the ASHVE Council, ASHRAE Board of Directors, and served two years as Society Treasurer. He was elected a Fellow of ASHRAE in 1972 for his contriubtions to the arts and sciences of ASHRAE's technology.

In 1976, when ASHRAE sought a Canadian member to represent the president in Canadian affairs, the selection of John Ross was an obvious choice. His mission was to be a communication bridge between the two regions with Canadian chapters, to develop a Canadian public relations program, and to represent the Society in meetings with Canadian government officials and related organizations.

The following wording appeared on a plaque presented to John upon his retirement as the presidential representative to Canada, a position that has not been reappointed:

"Who since 1976 has served the Society faithfully and with distinction as ASHRAE Presidential Representative for Canada, increasing awareness of Society activity within Canada and promoting a fuller participation by Canadians within ASHRAE."

"His fellow members do wholeheartedly express our high regard and sincere appreciation of his efforts, wise advice and counsel, as well as his personal traits of character which earned him deep respect and warm affection."
SASKATOON CHAPTER REGION XI
MEETING APRIL 14, 1987
SASKATOON CONSTRUCTION ASSOCIATION

FREDERICK H. KOHLOSS, P.E., 1986-87 PRESIDENT OF ASHRAE, WILL
BE THE GUEST OF THE SASKATOON CHAPTER AT THE APRIL MEETING.

OF 149 CHAPTERS, WE ARE HONOURED THAT PRESIDENT KOHLOSS FIND
TIME IN HIS SCHEDULE TO VISIT US.

AS AN ASHRAE MEMBER, WE URGE YOU TO ATTEND OUR NEXT MEETING
AND SHOW YOUR SUPPORT FOR THIS DEDICATED INDIVIDUAL AND THE GOALS
OF OUR SOCIETY.
