The Presenter

Jerry Boulanger graduated from the Mechanical Engineering Technology program at Kelsey Institute in Saskatoon in 1975 and immediately went into the HVAC industry as a manufacturers' representative. Since 2001 Jerry has served as the marketing manager for Axiom Industries Ltd. He also provides HVAC technical services such as training, system analysis and troubleshooting. He has presented many courses on hydronics for various groups and has been the instructor for three previous ASHRAE Fundamentals courses organized by the Saskatoon Chapter of ASHRAE. He is a Past President of both the Saskatoon and Regina Chapters of ASHRAE and is a Past President and Honorary Life Member of the Mechanical Contractors' Association of Saskatchewan.
