

Building Standards Workshop

Promoting construction of safe, healthy, habitable buildings

Legislative Framework

This workshop is being offered free of charge to building officials twice a year rotating between Regina and Saskatoon

The objective of the Legislative Framework is to provide building officials with a better understanding of the legislation and regulations for successful application of the National Building Code.

This workshop will examine the provisions and application of the following documents:

- NBC 2010, Division A, Part 2
- NBC 2010, Division A, Part 3
- NBC 2010, Division C
- The Administrative Requirements for use with the National Building Code of Canada, 1985
- *The Uniform Building and Accessibility Standards Act*
- *The Uniform Building and Accessibility Standards Regulations*
- *The Building and Accessibility Standards Administration Regulations*
- Building Bylaw Handbook
- Draft Building Bylaw
- Functions and Objectives
- Alternative Solutions
